Nicholas Norris

8380 Roswell Rd. Apt L | Sandy Springs, GA 30350 | 770-366-5756 | Nwnorris@hotmail.com | Nwnorris.wordpress.com (portfolio)

OBJECTIVE:

I am a Technical Communication specialist who can communicate and create information through multiple mediums such as writing, video, and graphics. With these skills, I can help you communicate your message. I am looking for an entry-level job opportunity to build my brand, personal, and team achievements.

SKILLS PROFILE:

- TV and video production: lighting/grip, editing for TV/video, graphics for TV/video, field TV/video production, studio TV/video production, and advanced TV/video production
- Writing: business writing, technical writing, journalism, public relations writing, research writing, editing, page design and layout, and copy editing
- Digital media and graphics: digital photography, applied graphics, basic HTML and web design, and visual thinking
- Information design and narration in various forms of media
- Proficient with both Mac and Windows computer platforms

EDUCATION:

Kennesaw State University (formerly Southern Polytechnic State University)   2010 - 2015
Marietta, GA
Bachelor of Science, Technical Communication with a concentration in Digital Media and Graphics

Chattahoochee Technical College   2003 - 2006
Marietta, GA
Associates Degree in Entertainment Technology (TV/video production)

EMPLOYMENT HISTORY:

Video Editing Intern - ChildPlus Software   Summer 2014
Dunwoody, GA
- Edited one large video project for ChildPlus
- The video was used as part of the company's application for state and federal education funding for pre-k class curriculum

Package handler - United Parcel Service   2002 - present
Roswell, GA
- Worked as loyal and committed inside service provider handling irregular size shipments, preventing damages, and ensuring on-time delivery to thousands of UPS customers
- Excellent attendance and injury-free safety records
